Hobbies and Interests

1	Cooking	If I suffer from anxiety or low moods, cooking could help increase my happiness
2	Drawing	Drawing helps me discover, reflect on, and express myself. It helps me learn about myself. It helps me feel more happy and confident
3	Photography	Photography is so much more than just taking pictures. It develops conceptual skills and technical expertise, but also teaches how to collaborate with others.
4	Football	Football is not just a game for me; it's a source of joy, teamwork, and physical activity.
